### **HOMEWORK POLICY**

Homework is an essential part of your successful educational program at HCSS. Doing homework will help you to develop many valuable skills such as good study habits, time management, responsibility, and perseverance. Teachers will assign homework that will foster individual learning and growth and that is appropriate for the subject area. Homework is part of all students' regular evaluations. It is your responsibility to complete and turn in homework on time. In the case of conflict regarding homework assignments, the teacher's record is final. If you or your parents have questions about homework, immediately contact the teacher who assigned it.

1. Students who submit homework completed according to expectations and on time will be eligible for full credit.
2. Students who fail to submit homework on the due date will receive zero (0) for the assignment.
3. Late submissions of homework will be accepted for partial credit.
